

## APPLICABLE FEES AND COMMISSIONS SCHEDULE

0. Scope
1. Cheques
2. Foreign Banknotes
3. Transfers and Payment Orders
4. Administration and Maintenance of Current Accounts
5. Other Services Provided
6. Guarantees
7. Letter of Credits
8. Documentary Collections

Valid starting 15 th of March 2016

## SECTION 0.- SCOPE

### SCOPE

This fees and commissions schedule lists the maximum rates and charges applied by Aresbank to clients (banks and companies) for the transactions and services rendered in euro and in foreign currency.

For any transaction or service rendered by the Bank in particular cases and not listed in this schedule, the fees and commissions will be specified on case by case basis.

In case that the transaction or service rendered by the bank is executed in a currency other than the euro, the fees or commissions will be calculated in that same currency.

In case that the fees or commissions must be debited/collected in a currency other than the corresponding currency calculated, the prevailing market rates at that time shall be applied as the exchange rate.

### MAIL EXPENSES

The mailing costs generated by the transaction will be calculated according to fees charged by the post or courier service used.

Valid starting 1st of August 2017

## SECTION 1.- CHEQUES
